SERVICES

Branding

The term branding means different things to different people. For some a logo will suffice. For others it will be full brand guidelines and visual identity including typography, colour palettes and tone of imagery. We are happy to work with clients anywhere in this spectrum.

Design for Print

From brochures to banners and magazines we will design anything you can print. Design is our passion and if you want striking design to for your project then speak to us.

Design for Digital

Digital design is on the increase as people look for more ways to reach the consumer. Whether you are looking for a social media advert or have to pitch a Powerpoint to a prospective client, we can help.

Illustration

Need something a little less electronic and a little more authentic? We have several superb illustrators with a range of styles ready to sketch up drafts for your project.

Animation & Video

Promotional videos and introductory animations are more popular than ever. Increase your brand presence and credentials by using animation or video.

BMW REVEALS NEW LOGO TO MARK A “NEW CHAPTER”

By Simon Laughton | 4th March 2020

BMW has unveiled a new logo, as part of an update to its brand identity.

The new, flat version of the familiar roundel is one of the “first steps” of the updated identity, according to the company. It was revealed with the images of the BMW Concept i4 vehicle and represents a “look ahead” at the i4 ...
